

June 15, 2020 COVID update:

We are currently open shortened hours Monday through Thursday for emergencies and limited dental procedures. As of June 15, we are doing routine cleaning appointments along with exams and x-rays for those who are due.

What you need to know when entering our office:

Must wear mask

Fill out COVID questionnaire located in the waiting room

Sanitize hands before and after appointment

IF there is another patient in the waiting room, continue the 6-foot rule of social distancing

If you do not have a scheduled appointment, call from outside the office and a team member will be out to help you

The safety of you and our staff is **FIRST PRIORITY**. **FOR EXISTING PATIENTS**, if you are not currently receiving updated emails and want to be added to our list, email us with name and email address to dentaloffice@rivardosmiles.com.

If there are any questions or concerns, never hesitate to call the office at 724-327-2272.

We are in this together!!
